PERFUME & PACKAGING

Personalised perfume

Dress a finished fragrance bottle with a name, a monogram or a brand identity. Pair it with a coordinated presentation box.

For your quote

Upload your logo or lettering and a bottle photo. Mark the face that should be visible in the box.

Products & finishes

Select a product to request a quote (RFQ)

Personalised perfume bottle

Add a name or monogram to the face of a fragrance bottle. Share the bottle dimensions and the lettering you want on each piece.

Private-label perfume branding

Build a coordinated identity across a fragrance range. Include the fragrance names, logo files and the number of bottle designs.

Bottle labels & logo transfers

A transfer places a logo directly on the bottle surface. Share a photo of the face and mark its usable print area.

Perfume gift set

Pair a fragrance bottle with a travel size or companion gift. List the pieces and their dimensions for a packaging layout.

PERFUME & PACKAGING

Gift boxes & fitted inserts

Coordinate a luxury outer box, printed details and a fitted insert around your gift. Specialty box printing is arranged with packaging partners.

For your quote

Include the product measurements and artwork for any printed faces. Identify which face opens first.

Products & finishes

Select a product to request a quote (RFQ)

Luxury perfume box

Present a fragrance in a rigid box with a fitted interior. Share bottle dimensions, closure preference and outer artwork.

Specialty printed outer box

Wrap a folding carton in coordinated artwork. Supply the packed item size, panel artwork and desired finish for partner review.

Custom fitted perfume insert

A shaped insert supports the bottle inside its box. Send the bottle profile and the internal box dimensions.

Gift-set packing & assembly

Bring products, inserts, tissue and labels together as one set. List every component and its intended position.

APPAREL & BAGS

Clothing & uniforms

Create a family set or outfit your team with a printed design, embroidered crest or individual names. Choose your garment, colours and placement.

For your quote

Send the logo or design and list the names, numbers and sizes exactly as they should appear.

Products & finishes

Select a product to request a quote (RFQ)

Personalised T-shirt

A crew-neck tee carries a single design across the chest. Specify the shirt colour, print size and whether each piece needs its own name.

Uniform & polo printing

A collared polo puts a small team mark on the chest. Include your size breakdown and any sleeve or back print.

Custom embroidery by request

Stitch a logo, name or monogram onto polos, work shirts and uniforms. Share the garment, placement and artwork to request a partner-produced sample.

Hoodie printing

A hoodie offers space above the front pocket and across the back. Tell us which position you want and how large the artwork should be.

Sports jersey printing

Add a team identity, player names and numbers to a jersey. Supply a list pairing each size with its player and number.

Printed cap sample enquiry

The curved front panel suits a compact motif. Send the cap style and panel dimensions so the studio can assess a sample.

Matching shirt & bag set

Carry one illustration across a shirt and tote. Specify garment sizes, bag colour and the print position on each piece.

STICKERS & UV PRINT

Stickers & labels

Shape-cut labels, metallic details and raised clear domes for packaging, product branding and keepsakes.

For your quote

Upload the design and distinguish any cut, foil or dome areas. Include the intended size and surface.

Products & finishes

Select a product to request a quote (RFQ)

Contour-cut adhesive labels

The cut edge follows your artwork. Supply the outline separately and give the finished width and height.

Gift-label packages

Coordinate seals, name labels and gift tags across one package. Include the label count and the surface each will go onto.

Epoxy / resin domed stickers

sample enquiry

A clear resin dome sits above the printed design. Specify the outline, finished size and where the raised label will be applied.

Gold foil stickers

sample enquiry

Metallic gold catches the light against the label stock. Mark the gold areas separately from the printed colours.

Silver foil labels

sample enquiry

Silver foil gives selected artwork a cool reflective finish. Mark the silver elements and specify the colour beneath them.

UV DTF transfer stickers

A carrier positions the printed motif on a compatible hard surface. Send a photo of the object and the available application area.

STICKERS & UV PRINT

Personalised giftware

Apply a name or logo to acrylic blanks, suitable giftware and bottle or glass exteriors. Send the surface details for an adhesion assessment.

For your quote

Include a photo of the actual object with the artwork position marked. Curved surfaces need a diameter.

Products & finishes

Select a product to request a quote (RFQ)

UV DTF hard-surface branding

Apply a printed emblem to a compatible rigid item. Include its surface finish and a photo of the exact placement.

Acrylic gift personalisation

Use clear or coloured acrylic for a freestanding name or occasion piece. Specify shape, size, inscription and clear areas.

Exterior glass & bottle branding

Apply branding to the outside of a bottle or glass piece. Provide its diameter and the height of the design.

Direct UV flatbed printing

sample enquiry

Print a design directly onto a flat rigid face. Provide the material, thickness and artwork size for a sample assessment.

Rotary bottle printing

sample enquiry

A rotary layout follows a cylindrical object. Supply the diameter, printable height and any taper for feasibility review.

MAGNETS & 3D GIFTS

Fridge magnets

Turn a favourite photo, a travel illustration or your company artwork into a magnet. Shape and backing are matched to your design.

For your quote

Upload a photo or illustration and indicate the crop. For a custom outline, include the cut shape.

Products & finishes

Select a product to request a quote (RFQ)

Rigid photo magnet

A rigid photo magnet keeps a picture flat against a magnetic surface. Send the original photograph and your preferred crop.

Souvenir magnet

Turn a landmark or illustration into a keepsake. Specify the destination, outline and any wording to include.

Branded promotional magnet

A branded magnet keeps a small logo or message in view. Include the intended size and the background colour behind your logo.

Flexible custom-shape magnet

sample enquiry

A thin flexible magnet follows a custom outline. Send the cut shape and finished dimensions for sample review.

Acrylic magnet

sample enquiry

A clear acrylic face gives artwork a polished edge. Choose the outline and indicate which areas should stay transparent.

3D-printed magnet

sample enquiry

A printed relief adds depth to the design. Specify the overall thickness, face colours and backs where magnets can be fitted.

MAGNETS & 3D GIFTS

3D-printed gifts

Give a name or an original shape a physical form. Your dimensions and artwork guide material and finish selection.

For your quote

Attach a dimensioned sketch or reference in PDF, PNG or JPG. Mention if you have a separate 3D model.

Products & finishes

Select a product to request a quote (RFQ)

Personalised name tag

Raised letters turn a short name into a dimensional tag. Share the spelling, overall width and whether it needs a hanging hole.

3D-printed keychain

A printed shape meets a metal key ring. Include the silhouette, colour choices and preferred attachment position.

Desk gift & nameplate

A freestanding desk piece can carry a name, role or emblem. Specify the wording and the space available on the desk.

Custom gift component

A bespoke printed component can form part of a larger gift. Include a sketch and the dimensions of any mating parts.

Fitted 3D-printed insert

A shaped tray keeps each piece in its place. Supply the actual item dimensions and indicate how the items should lift out.

Custom application jig

project enquiry

An alignment fixture locates a part during personalisation. Share the part dimensions, placement target and repeat operation to assess.

GLASS & CRYSTAL

Specialty glass & crystal

Explore a design viewed through flat glass or an engraving inside crystal. The studio assesses the actual piece and the intended viewing side.

For your quote

Mark the viewing side on a drawing and identify which areas must remain clear.

Products & finishes

Select a product to request a quote (RFQ)

Reverse-printed clear film for flat glass

A reverse-printed design is viewed through the glass. Identify the viewing side, clear areas and dimensions of the panel.

Direct interior-glass printing

feasibility enquiry

Artwork on the inner face reads through the glass. Share the glass type, thickness and intended mounting for a feasibility review.

Subsurface crystal engraving

partner enquiry

An internal engraving forms an image inside a solid crystal blank. Share the subject and block dimensions for partner review.

Corporate branded gift set

Coordinate several branded objects inside one presentation box. List the items, logo positions and budget per set.

Event gifts & favours

Create individual keepsakes for guests. Include the occasion, guest count, event date and any individual names.

Personalised family occasion sets

Link several family gifts with one motif and individual names. Tell us which item belongs to each recipient.

Team welcome gifts

Build an onboarding set around the pieces a new colleague will use. Include the contents, branding and packing order.

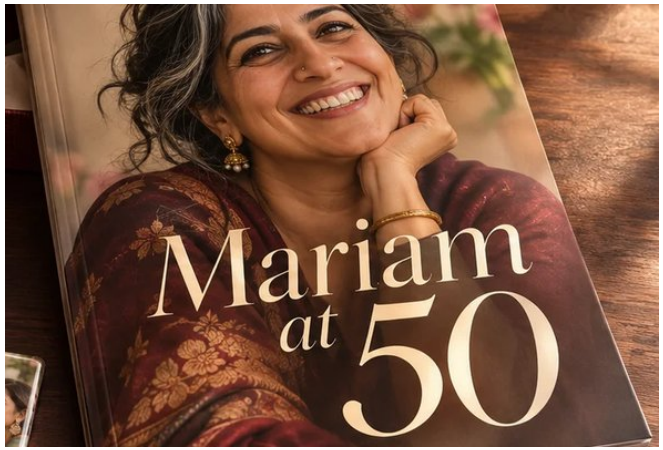

Small-batch branded giveaways

Carry one brand mark across a short run of giveaway pieces. Specify the event, quantity and packaging preference.

Personalised magazines

Turn family photographs, birthday wishes and wedding stories into a printed keepsake, page by page.

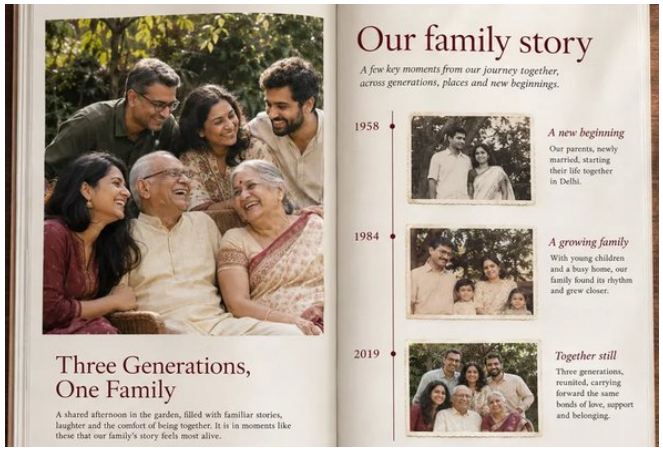

Birthday magazine

Turn a milestone birthday into a cover story with portraits, a life timeline and messages from the people who know them best.

Wedding & anniversary magazine

Bring your first meeting, wedding day and family wishes together in a printed edition to share at the table or give as an anniversary gift.

Family story magazine

Gather family portraits, treasured recipes and memories from different generations in a keepsake for a reunion or a quiet evening at home.

For your quote

Send a cover photograph and an outline of the people and moments you want to include.

Personalised branded chocolates

We place manufacturer-sealed chocolates in printed sleeves, guest favours or presentation boxes personalised for your occasion.

Personalised chocolate bar sleeve

Wrap a branded chocolate bar in a printed outer sleeve with a name, date, logo or message. The manufacturer's wrapping stays on the bar.

Chocolate guest favours

Thank each guest with a small parcel of individually wrapped branded chocolates, finished with a printed tag, names or event colours.

Repacked branded chocolate gift box

Choose a selection of manufacturer-sealed chocolates for a personalised presentation box, with family names, a company logo or a message inside the lid.

For your quote

Send your names or logo, event date and quantity. Ask for the exact brand and product information when the selection is confirmed.
